

2569th Vesak Day Celebration 慶祝2569衛塞節

Vesak Day is the most important event of the year for the Buddhist community. It commemorates the Birth (born on the 8th day of the 4th lunar month), Enlightenment (15th day of 4th lunar month) and Final Nirvana (15th day of the 2nd lunar month) of Sakyamuni Buddha, the founder of Buddhism. Though Vesak Day falls on the full moon day of the fourth lunar month, the celebration usually starts from the first day of the fourth lunar month. Buddhists pray on this holy day of joy and peace to bring peace and harmony to all humanity!
